

## Business Conference Fresh Market – how does it work?

**Fresh Market Conference - organized from nine-year is fruits and vegetables suppliers meeting with buyers from the retail chains.**

**10-th Edition of Fresh Market 2017** is taking place in an exclusive interiors of Mazurkas Conference Center which is famous for professional service and excellent catering

From the morning Participants of **Fresh Market Conference** make appointments with representatives of given retail chain. Just collect the card with number.

At the screens in the Meeting Room all Participants can check when their meeting takes place.

Meetings are being held on specially prepared stands where suppliers can present their offer to buyers responsible for purchase of fruit and vegetables.

Each meeting lasts max. 10 min.

At the same time are held Discussion Panels between Industry's Experts relating to trade of fruit and vegetables and current situation on the market.

Participants of Meetings can see trade offer presented on Sponsor's Stands.

During the day Participants are served with coffee and refreshments. With a cup of aroma coffee you can establish business contacts with other guests of **Fresh Market**.

During whole event in the Meeting Room is present the Matchmaker, which will help to establish business contacts with other Participants, such as between export companies and manufacturers.

Ask Matchmaker to make an appointment for you free of charge.

We also provide you with an excellent lunch.

After the whole day of fruitfull meetings Participants can relax at the evening reception with an exclusive catering of Mazurkas Hotel\*\*\*\* ...
